Now, Jonathan wants to know about you and your family. Write an e-mail in which you introduce yourself and give information about your family members (names – age – jobs).

A screenshot of a classic email client window. The title bar reads "Writes (no subject)". The menu bar includes "File", "Edit", "View", "Options", "Tools", and "Help". Below the menu bar is a toolbar with icons for "Send", "Spelling", "Attach", "Security", and "Save". The main area of the window is divided into two sections. The top section contains fields for "From:", "To:", "Cc:", "Bcc:", and "Subject:", each followed by a text input area. The bottom section is a large, empty text area for writing the email body.

Good Luck kids
